After years of live performances in Germany Frachbax a.k.a. Sebastian Auer is releasing his debut album "Frech".....

..a time of dedicated work lies behind the production of this cd with funky beats and groovy basslines.

His music can be described as minimal progressive style with psychedelic influences. The sound has a catchy and deep bass line followed by intriguing sound and voice samples. The melodies take you on a deep trip into progressive music. The album has the full dancefloor potentiation and is also great to play at home especially on a warm summer night.

"Frech" will get you to swing and is very enjoyable.
Another quality release from Ajana Records for you ears.
